8TH & 9TH JUNE ON STEAM

'BEAT HAZARD 2'

>>DOWNLOAD NOW<<

'Beat Hazard 2' is an intense music driven arcade shooter and the **winner of the 'Track and Build' competition** which gives up-and-coming musicians and game developers the chance to collaborate with established music artists.

Load up '**Koven x ROY - About Me**' and watch the game create and build the level around you seamlessly in sync with the music. Power up your spaceship and watch as the music boosts your firepower. Unleash hell on the enemy ships when you max out with weapon pickups!

'Beat Hazard 2' can be downloaded for **FREE** from Steam as part of a 'free weekend' to celebrate the release of 'Koven x Roy - About Me'. Players will **compete for the #1 spot** and a chance win following prizes:

PRIZES

- Any player that scores **300,000** or more wins a bespoke limited edition '**Koven ship**' for the game.
- Players who are ranked in the **Top 50** will get 'Jager' another limited edition ship.
- Players that finish in position **1-10** in scoreboard will have their gamer tags featured in the official music video for 'About Me' which will be uploaded to NCS (22m subscribers).

1ST PRIZE
